

"Service Above Self"

# Rotary Club of South Ukiah

Chartered 1973

District 5130, South Ukiah, California

## What do we support?

The South Ukiah Rotary Foundation was formed to assist the Rotary Club of South Ukiah with fundraising projects. The Foundation is a 501 (C) (3) organization designated as a public charity by the Internal Revenue Service effective June 17, 2015. The Foundation was established starting with a resolution that was presented to the South Ukiah Rotary Club Board of Directors on June 11, 2015. The vote was unanimous.

The Foundation is comprised of three officers that serve as directors; a president, a treasurer and a secretary. The term of each officer is two years, and the officers are assigned by the Board of the Rotary Club of South Ukiah. The Foundation is proud to announce that all donations go directly to support the Rotary Avenues of Service, including International Service. The only cash expenses of the Foundation are for filing fees, postage, and office supplies.
